

# 2016 Greenwich Tennis Club Junior Championships

The Greenwich Tennis Club Junior Members' Championship was played over the weekend of July 23rd and 24<sup>th</sup> 2016.

Over 30 children participated in what was a fun and busy weekend. The format this year was 'Round Robin' in age groups, meaning that all the entrants got plenty of tennis as well as a chance to put game rules into practise, help umpire, ball-boy and cheer on their peers. We then enjoyed a few 'fun games' and a sausage sizzle late on Sunday afternoon.

There was an impressive display of tennis across all age groups and a lovely level of good humour and sportsmanship from everyone involved. Experienced and novice players alike seemed to really enjoy themselves.

Thank you to everyone who entered and brought their children and helped to umpire and support. We hope that all the kids and more return next year.

Congratulations to all players and especially our 2016 winners:
